EXPERIENCE

Volunteer: Flow Monitor, Providence Sacred Heart, Spokane, WA (2021-2022)

Volunteered at a covid-19 vaccination clinic as a flow monitor. My job was to direct patients through the process of being vaccinated. Answered questions they may have had regarding the process or questionnaire sheet.

Lab Skills(2018 -2022)

Biomedical labs I have gained experience with pipetting, bacteria culturing, CRISPR, and Gel Electrophoresis.

Private Tutor (2018-2020)

Tutored elementary aged kids with their schoolwork, mostly math related homework, and some readings.

RateMyDorm Ambassador (University Of Washington) (2023)

Ambassador for the dorm website ratemydorm.com, for students to write reviews on their living situations at UW. My job was to bring traffic to the website by having students write reviews on their dorms.

EDUCATION
