- **Relevant Coursework:** CSE 121 (Algorithms), CSE 122 (Data Structures), CSE 123, CHEM 142, CHEM 152, CHEM 162, Calculus I, Calculus II, Calculus III with Analytic Geometry.

EXPERIENCE

FLOW MONITOR COVID-19 VACCINATION CLINICS (2021-2022)

Providence Medical Center, Spokane, WA

- Directed patients where they needed to go by being *assertive*, while maintaining *versatility* to ensure that the process of being vaccinated for COVID-19 remained smooth and efficient by *adapting* to the needs of the team.
- *Accountable* volunteer team member and *passionate* about delivering my service to the patients by answering any questions they may have had regarding the COVID-19 vaccination process.

PRIVATE TUTOR (2018-2020)

Self-Employed, Spokane, WA

- *Ambitious* to help elementary students with their coursework, *dependable* by helping them weekly with their coursework and subject matter, and *influential* by helping them learn. Created extra problems to *support* and give the students a more *thorough* and further understanding of the subjects.
